REQUEST FOR PROPOSALS (RFP)

SOLICITATION NUMBER: COE-RFP-2026-088

Title: Municipal IT Operations Transformation & Strategic Advisory Services

Issuing Authority: City of Edmonton, Procurement and Digital Governance Services

Target Consultant: Professional Advisory & IT Management Firms

1. PROCUREMENT OVERVIEW AND OBJECTIVES

The City of Edmonton invites qualified advisory firms to submit proposals for the modernization, operational consolidation, and cloud-readiness advisory of the City's Municipal IT Operations. The engagement will encompass enterprise architecture review, governance optimization, workflow digitization, and vendor transition management over a 24-month horizon.

2. KEY PROCUREMENT DATES AND TIMELINE

Milestone Event	Date & Time	Submission / Clarification Details
RFP Issuance Date	August 1, 2026	Published on Alberta Purchasing Connection (APC)
Clarification Request Deadline	August 18, 2026 at 16:00 MT	Formal questions via procurement portal only
Final Addendum Issuance	August 22, 2026	Responses to all vendor clarification requests
Proposal Submission Deadline	September 8, 2026 at 14:00 MT	Strict cutoff. Late proposals will be rejected
Anticipated Contract Award	October 1, 2026	Execution of Master Professional Services Agreement

3. MANDATORY SUBMISSION REQUIREMENTS (PASS / FAIL)

Proponents must satisfy all mandatory requirements set out below. Proposals that fail to provide full compliance evidence for any mandatory criterion will be disqualified from further evaluation.

Ref ID	Mandatory Requirement Description	Compliance Evidence Required
M1	Corporate Experience: Minimum 5 years of experience delivering IT advisory to Canadian municipal or public sector entities.	Provide 3 public sector client reference letters completed within the last 5 years.
M2	Project Manager Certification: The designated Engagement Manager must hold active PMP (Project Management Professional) or equivalent certification.	Copy of current certification credential and resume showing minimum 7 years experience.
M3	Bilingual Lead Capability: Primary stakeholder consultation team must include at least one lead consultant fluent in French and English.	Staff CV indicating language competencies and bilingual advisory project references.
M4	Information Security & Privacy: Proponent must demonstrate certified compliance with ISO/IEC 27001 or SOC 2 Type II data security standards.	Valid third-party audit certificate or SOC 2 report summary issued within past 12 months.

4. RATED EVALUATION CRITERIA (100 TOTAL POINTS)

Proposals meeting all mandatory requirements will be evaluated against the rated criteria below. A minimum threshold score of 70% in Technical Methodology is required to proceed to Financial Opening.

Criterion ID	Evaluation Factor & Scope	Weight	Min Score
R1	Technical Methodology & Work Plan: Approach to municipal enterprise architecture review, business alignment, and cloud roadmap feasibility.	40%	28 / 40
R2	Team Qualifications & Subject Matter Expertise: Experience of key personnel in municipal IT governance, change management, and service design.	30%	21 / 30
R3	Value Proposition & Innovation: Novel efficiency frameworks, automation accelerators, and knowledge transfer to City staff.	15%	None
R4	Commercial & Pricing Structure: Total cost of services, blended daily rate card, and transparent milestone fee schedule.	15%	Formula

5. COMMERCIAL TERMS AND PRICING FORMAT

All pricing must be quoted in Canadian Dollars (CAD), exclusive of GST. Proponents must provide a firm fixed price for Phase 1 (Discovery & Architecture Assessment) capped at $250,000 CAD, and a time-and-materials rate schedule with hourly ceiling rates for Phase 2 Implementation Advisory. Payment terms are net 30 days upon satisfactory milestone acceptance. Liquidated damages of $1,000 per business day apply to unapproved milestone delivery delays exceeding 10 business days.

6. SUBMISSION INSTRUCTIONS & ENVELOPE SEPARATION

Submissions must be delivered electronically via the City of Edmonton Bonfire procurement portal. Proponents must submit their proposal as two strictly separate files:

• **Envelope A (Technical Proposal):** Executive summary, compliance matrix, methodology, and resumes. No pricing information allowed.

• **Envelope B (Financial Proposal):** Completed Schedule C Pricing Table, rate card, and commercial assumption notes.
